

Kidmazium and SPLAT Studio™

join together to bring you...

Go Green!

Monday, April 25
10 a.m. - Noon

Kids ages 2-12 are welcome to participate. Included in your admission is two hours of supervised fun. The kids will play in the Kidmazium play structure, participate in a game and make a themed related art activity with the SPLAT Studio™ team.

All this fun for only \$10 per child!

However, if you pre-register your child(ren) by 4/22, they will be eligible to win a pass to attend a future Kidmazium and SPLAT Studio™ event for free. It is our way to show you appreciation for us being able to better prepare and plan for your kid's visit. Three winning names will be drawn. The drawing will take place at the end of the event on 4/25.

Pre-registration is strongly recommended. A parent or a caregiver must remain on the premises of Paramount Sports Complex during the entire event. In consideration of your child's safety, we request that children age preschool and younger be shadowed by a parent. A SPLAT Studio™/Paramount Waiver must be signed by the parents of all participants.

Waivers and registration forms can be accessed in advance at Paramount's front desk or at: www.SplatStudio.net
